2 MANAGEMENT RIGHTS

Section 1 Management Rights Clause

The management of the College shall remain in its sole control, including the right to hire, layoff, promote, assign and transfer employees and increase or decrease the working force, classify new employees in both temporary and regular jobs, promote and demote employees to positions within and outside the unit, to determine programs, work schedules or operations, the methods, and the number of employees assigned, the locale and equipment of work of any job, to determine practices, and standards of performance, assign and require the performance of overtime, to determine the method of training employees, to subcontract, eliminate or change or consolidate jobs in whole or in part, except as specified in this Agreement.

Section 2 Past Practices

The College's rights of management shall not be amended or limited by any claim unwritten custom, past practice or informal agreement, nor by any claim that the College has condoned or tolerated any practice or any act or acts of any employee or employees.

3 UNION SECURITY

Section 1 Deduction of Dues

The College agrees to deduct from the regular paycheck of any bargaining unit employee the dues of the Union, or its equivalent.

Section 2 Union Membership/Agency Shop

Each Employee who is a member of the Union or who is obligated to tender to the Union amounts or periodic dues on the effective date of this Agreement, or who later becomes a member, and all employees entering into this bargaining unit of employment, shall pay or tender to the Union amounts equal to the periodic dues applicable to members, for the period from such effective date or, in the case of employees entering into the bargaining unit after the effective date, on or after the thirtieth (30th) day after such entrance, whichever of these dates are later, until the termination of the Agreement. For the purpose of this Article, "employee" shall mean any person entering into the bargaining unit.

Each employee who is a member of the bargaining unit on or before the effective date of this Agreement and who on the effective date of this Agreement was not required as a condition of employment to pay or tender to the Union amounts equal to the periodic dues applicable to members shall, as a condition of employment, pay or tender to the Union amounts equal to the periodic dues applicable to members for the period beginning thirty

(30) days after the effective date of this Agreement, until the termination of this Agreement.

The College shall notify the Union within ten (10) calendar days from the date that a temporary employee from any hiring agency is assigned on a temporary basis to fill a CWA bargaining unit position.

The conditions of employment specified above shall not apply during periods of formal separation from the bargaining unit by any such employee but shall reapply to such employee on the thirtieth (30th) day following the employee's return to the bargaining unit. The term "formal separation" includes transfers out of the bargaining unit, removal from the payroll of the College, and leaves of absences of more than three (3) months duration.

Section 3 Amount of Dues

Dues shall be collected based on two percent (2%) of a unit member's regularly scheduled hours of work per week for the total weeks scheduled per year including paid leave but excluding overtime. Dues may be changed to other amounts as may be certified to the College, by the Union, at least thirty (30) days prior to the month in which the deduction of the Union dues is to be made.

Section 4 Remittance of Dues

Each month, the College shall remit to the Communications Workers of America, the Union dues or equivalent, which were deducted from bargaining unit employees' paychecks during the previous month. The College will include a list of employees from whose pay such deductions were made and shall include each employee's name, home address, social security number, base hours per pay period, base earnings for the period and the amount of dues paid. Section 5 Indemnification Clause

The Union hereby agrees to indemnify the College and hold it harmless from all claims, damages, costs, fees or charges of any kind, which may arise out of the honoring by the College of dues deduction authorization in accordance with the provisions of this Article, and the transmitting of such deducted dues to the Union.

4 NON DISCRIMINATION

Section 1 Protected Status

The College and the Union agree that no employee shall be discriminated against with respect to any of the forms or conditions of his or her employment on account of age, race, creed, color, sex, marital status, religion, national origin, sexual orientation, or disability as defined by the Americans with Disabilities Act.

Section 2 Pronouns

The use of the male pronoun in this Agreement shall not describe any specific employee or group of employees, but is intended to refer to all employees regardless of sex.

5 NO STRIKE / NO LOCKOUT

It is agreed between the parties that during the term of this Agreement, whether or not there be a grievance dispute pending, there shall be no strike, lockout or stoppage of work.

6 GRIEVANCE & ARBITRATION PROCEDURE

Section 1 Grievance Procedure

The intent of this Article is to give the College and the Union a method for settlement of a disagreement between the parties over the interpretation, application, or claimed violation of any provisions of the Agreement. Such a disagreement shall be defined as a grievance under the Agreement and must be presented within seven (7) working days of knowledge of the alleged grievance not to exceed one (1) year after it occurs and shall be executed in accordance with the following steps, time limits and conditions herein set forth.

The assigned Steward shall be granted up to two (2) hours paid release time to investigate and prepare for grievance at either the second step or third step of the grievance procedure, but not both. Paid release time shall be granted at the rate of straight time. In the event of a class action grievance, only one Steward shall be granted such release time.

FIRST STEP: The employee with the assigned Steward (not to exceed two (2) paid employees) shall first orally take up the grievance with the employee's immediate supervisor, at a mutually convenient time. The Supervisor shall give an oral answer to the grievance within three (3) working days after the conclusion of the discussion.

SECOND STEP: If the grievance is not settled in the oral response stage, the aggrieved employee may reduce it to writing, on a form to be mutually agreed upon by the College

and the Union for that purpose. The written grievance shall contain the name of the grievant, the date of the incident, the section of the Agreement allegedly violated, improperly interpreted or misapplied, the facts, which constitute the wrong, and the relief sought by the grievant. The form shall be dated and given to the next in line supervisor within five (5) working days after the receipt of the supervisor's oral answer to the grievance. The next in line supervisor shall discuss the alleged grievance with the Union's Chief Steward, the assigned Steward or the grievant (not to exceed two (2) paid employees if the hearing is held at a time when they are scheduled to work) at a mutually convenient time within five (5) working days of the date the second step grievance was received.

Once the grievance has reached Second Step, any settlement shall include the written consent of the President of the Union.

The next in line supervisor shall give a written answer to the grievance to the President of the Union within five (5) working days after the conclusion of the discussion.

THIRD STEP: If the grievance is not settled at Step 2, the Union may appeal it, by giving a written notice of such appeal within five (5) working days after the receipt of the written answer of the Department Head, to Human Resources who shall discuss it with the Union's grievance committee at a mutually convenient time within five (5) working days of the date the third step grievance was received. The Union's grievance committee shall be composed of the President of the Union, Chief Steward, Business Agent, and assigned Steward, (not to exceed three (3) paid employees if the hearing is held at a time when they are scheduled to work). Human Resources shall give a written answer to the grievance to the President of the Union within ten (10) working days after the conclusion of the discussion.

If the College's representative fails to give an oral or written answer within the time limits set forth in any step, the Union may appeal the grievance to the next step at the expiration of such time limit.

The parties may agree, by mutual consent in writing, to waive any step and/or time limits as set forth. A grievance not appealed within the time limits set forth shall be considered settled unless an extension is agreed to in writing. Both the College and the Union have the right to designate substitute representatives for any named party except the grievant.

Section 2 Arbitration Procedure

FOURTH STEP: If the grievance is not settled in the third step, it may be appealed to arbitration, but only in accordance with the following terms and conditions:

1. The grievance must involve the interpretation or application of a specific provision of this Agreement, and will not be arbitrable if it claims a right, benefit or obligation not expressly set forth in this Agreement.

2. The appeal to arbitration must be made in writing by certified mail with a copy to the Director of Human Resources within thirty (30) calendar days immediately following the receipt by the President of the Union of the third step answer or, if no answer is received, within ten (10) calendar days after the meeting of the parties in which the grievance was heard at Step 3.
3. The submission to arbitration must be to the American Arbitration Association in accordance with its Voluntary Labor Arbitration Rules in existence at the time the submission is made.
4. The grievance submitted to arbitration must be the same grievance, which was submitted to the Office of Human Resources at the third step.
5. The cost of the Arbitrator's service will be shared equally by the College and the Union.
6. The decision of the Arbitrator shall be final and binding upon both parties. The Arbitrator shall not have any authority or power to add to, delete, or modify in any way any provision of this Agreement, except that the arbitrator shall have the power to modify on disciplinary cases.

Section 3 Summer Employment

- A. The summer break shall not be considered a break in service for academic year employees.
- B. Academic year employees will have first choice of bargaining unit summer jobs, should any exist at the College with the exception of work assigned to students consistent with Article 9, Section 8, Temporary & Casual Employees.
- C. All summer positions shall be posted in accordance with past practices.
- D. Academic year employees interested in working in bargaining unit summer jobs must notify the Office of Human Resources, in writing, by no later than May 1st.
- E. Any academic year employee who works a summer assignment will be paid at his/her current rate of pay, except as follows: a) if level of additional work is higher than current rate, then a ten percent (10%) increase in pay, or b) if level of additional work is lower than current rate, then a ten percent (10%) decrease in pay. All benefits, pensions, and accruals apply to all additional hours.

Section 4 Part-time employee extra assignments

Any employee working a second job in the same job title shall be paid at the same level and tier as his/her primary job. However, that employee shall serve a ninety (90) day probationary period in the second job.

8 PROBATIONARY EMPLOYEES

Section 1 Duration of Probationary Period

All new employees will be required to complete a probationary period of six months. The employee and the Union will be notified of the specific dates of the probationary period and of when the employee has reached permanent status.

When the College desires to extend the probationary period of a probationary employee the Director of Human Resources shall notify the President of the Union and such extension of probation will be by mutual agreement.

Section 2 Performance Review

During the probationary period, the employee's performance will be monitored and evaluated. A written probationary performance appraisal will be completed by the employee's supervisor and discussed with the employee after the employee has completed sixty (60) scheduled workdays. Upon hire, the employee and the Union will be notified of the specific dates of the performance review period.

Section 3 Termination

Termination during the probationary period is at the discretion of the College and such termination shall not be subject to the grievance and arbitration procedure provided in this Agreement.

The College shall notify the Union, in writing, of any termination of a probationary employee. The Union may request an informal meeting to discuss the termination of a probationary employee.

Section 4 Seniority Date

Following successful completion of a probationary period, the employee shall be considered a regular employee. For the purposes of seniority as provided in this Agreement, once an employee completes the probationary period and is employed as a regular employee, the employee's seniority date shall be the employee's date of hire as defined in this Agreement.

Section 5 Benefit Eligibility

Regular full-time, part-time, and academic-year employees shall become eligible for benefits as follows: seniority, sick, personal days, and vacation days will be credited back to the date of hire; health benefits begin on the first of the month following one (1) full month of employment; and eligibility for holiday pay and bereavement pay shall commence immediately upon hire. See Article 16, Section 1C and Section 3.

9 TEMPORARY & CASUAL EMPLOYEES

Section 1 Definition of Temporary

Temporary employees are those employees hired for a continuous, regularly scheduled position, which, normally, will last not more than one hundred and twenty (120) calendar days. Such temporary employees can be full-time or part-time.

Section 2 Definition of Casual

Casual employees are those employed hired to perform irregular, non-continuous work of short duration. Such casual employees can be part-time or full-time.

Section 3 Bargaining Unit Status

Temporary and casual employees are not covered by this Agreement, except as specifically defined in this Article.

Section 4 *Bargaining Unit Positions*

No temporary or casual employee shall be used in a position previously occupied by a bargaining unit member, which has been vacated, unless:

- a) the position has been posted and the hiring of a replacement is in process, or,
- b) the College determines that the position need be covered only on a temporary or casual basis as defined in Sections 1 and 2 above.

Section 5 *Duration of Temporary Position*

No temporary position shall continue for more than one hundred and twenty (120) calendar days, and no temporary employee shall be used in the same budgetary unit for more than six (6) months during any fiscal year (except as a substitute for a bargaining unit member on an approved leave of absence).

If the College is aware that an absence will extend for a period of three (3) months or more, it shall only be permitted to use a temporary employee from a hiring agency for the period up to the appointment of the leave replacement. This period, however, may be extended in the event that there are no qualified applicants to serve as a leave replacement.

Before going to an outside temporary agency, the College will offer the leave replacement position to a qualified retired CWA member on the substitute list maintained by the College, provided that the retiree is available to cover the full duration of the leave. The College shall maintain a list of CWA retirees who are interested in serving as leave replacements for CWA employees on leave and shall solicit leave replacements from that list.

If a non-temporary agency leave replacement is hired, the leave replacement shall be subject to Union dues deductions following the employee's thirtieth day of employment. A leave replacement shall be afforded leave benefits on a pro-rated basis and health insurance benefits subject to the limitations set forth in the contract. No other terms or conditions of employment, including but not limited to the due process protections provided for in Article 6, Grievance & Arbitration and Article 12 Discipline shall be applicable.

Section 6 *Duration of Casual Position*

No position in any budgetary unit shall be filled by hiring a casual employee for more than twenty (20) weeks during any fiscal year. No casual employee shall be used in the same budgetary unit for more than twenty (20) weeks during any fiscal year.

Section 7 Extensions

The use of casual and temporary employees may, however, exceed the limitations stated in Sections 5 and 6 either,

- a) by agreement of the Union, or
- b) if such extended use may lead to the creation of a regularly scheduled position or the opportunity for additional straight time hours for qualified bargaining unit members in the same department, if scheduling permits, or,
- c) if such temporary employees are hired for a clearly defined “special project”, their period of temporary employment shall be coterminous with the project.

Section 8 Restrictions on Student Employment

A student employee is defined as an employee whose primary purpose is the completion of a degree at Vassar. For the duration of this Agreement, the College will not increase the number of hours of bargaining unit work assigned to students if the direct result of such action would be a reduction in the number of full-time or part-time bargaining unit positions or a reduction in the number of hours assigned to part-time bargaining unit employees.

Section 9 Applicability

Except for student employees, all definitions and limitations described in this Article shall apply to all temporary and casual employees.

Section 10 Union Dues/Agency Fee

Notwithstanding the above provisions of this Article and the provisions of Article 3, Union Security, after thirty (30) calendar days of continuous employment, temporary and casual employees who meet all other criteria will be required to join the Union or to pay or tender to the Union amounts equal to the periodic dues applicable to members, at which time they will be covered only by the grievance and arbitration provisions of this Agreement. Temporary and casual employees may be terminated at the discretion of the College and such termination shall not be subject to the termination provisions of this Agreement.

10 RIGHTS & PRIVILEGES OF THE UNION

Section 1 Designation of Representatives

The Union shall have the right to designate Employee Union Representatives as Officers, Executive Board Member, Chief Stewards or Stewards of the Union. Such employee union representatives shall not be discriminated against due to their legitimate union activity. The number of stewards shall be generally one (1) for every ten (10) employees.

For the purpose of this Article, designated Employee Union Representatives are defined as Officers, Executive Board Members, Chief Stewards or Stewards.

Section 2 Access to College Premises

Non-employee Union Representatives shall have reasonable access to the College's premises in order to confer with the College or employees in the bargaining unit for administering this Agreement. Non-employee Union Representatives who wish to visit the College's premises to conduct union business shall advise the Director of Human Resources or designee of their visit and stated purpose. Such visits shall be at such a time and under such circumstances so as not to interfere with the normal work operation of the College.

Section 3 Release Time (Business Agent)

The Union Business Agent shall be guaranteed up to thirty (30) days per year of excused unpaid time off for union business. Requests for time off will be made within two (2) weeks advance notice under normal circumstances. The days off for the Union Business Agent must be pre-approved by the supervisor and his/her assigned deadline tasks must be completed within his/her regularly scheduled time.

Section 4 Release Time (Other Representatives)

To the extent that the College determines that its needs permit, Employee Union Representatives will be excused without pay, at the request of an authorized officer of the Union to attend to the business of the Union. The Union shall make all requests to perform union business as far in advance as possible and the College shall make every attempt to approve the request. Such time off shall not exceed thirty (30) working days per calendar year for Officers and Executive Board Members of the Union or thirty (30) working days per calendar year for Chief Stewards or Stewards.

Section 5 Leave for Executive Board Member

The Executive Board Members elected after the retirement of Ms. Paula Belluardo shall be granted an unpaid leave of absence for the period he/she is serving as an Executive Board Member. While on leave, the Executive Board Member shall continue to accrue seniority for purposes of leave accruals only. This means that upon the return of the Executive Board Member from leave, the time he/she spent on leave shall be considered service credit for leave time entitlement. For example, if a person with five (5) years of Vassar College Service gets elected to serve as the Executive Board Member, then serves as the Executive Board Member for ten (10) years, he/she shall be considered to have fifteen (15) years of service for purposes of leave entitlement. However, there shall be no accrual of any benefits during the course of the leave, including but not limited to pension, health insurance, or leave accruals. Additionally, upon return from leave from serving as Executive Board Member, the individual shall be returned to a unit vacancy for

which he/she is qualified. If no vacancy exists, then the individual shall be appointed to the next available unit vacancy for which he/she is qualified. Upon return to employment with the College, the employee's hourly rate shall be adjusted to reflect the salary and longevity the employee would have otherwise been entitled to had he/she not taken a leave of absence without pay. For example, a unit member who assumes the responsibility of Executive Board Member on July 1, 2007, and returns to employment July 1, 2010, would have his/her 2010-2011 hourly rate of pay adjusted by the across the board increases and longevity (where appropriate) for years 07-08, 08-09, 09-10, and 10-11.

Section 6 Release for Negotiations

Up to three (3) employees from the Secretarial, Clerical, and Technical unit and one (1) employee from the Professional unit who are members of the bargaining unit negotiating team, shall be permitted to participate in contract negotiations during working hours with no loss in pay.

Section 7 Union Business During Work

No Union business will be conducted on College time except as allowed by explicit terms in specific provisions of this Agreement. It is assumed that all Union business will be conducted on the personal time of the employee and the employees who are designated as Employee Union Representatives, unless otherwise stated in this Agreement.

11 TRANSFER OF UNION REPRESENTATIVES

Section 1 Involuntary Transfer (Officers)

The College agrees that it will not cause the involuntary promotion or transfer of an officer, Chief Steward or member of the Executive Board of the Union Local without the consent of the Union Local if such promotion affects their status as a representative of the Union Local.

The College shall give the Union Local not less than fourteen (14) calendar days written notice of any proposed promotion or transfer of an Officer, Chief Steward or member of the Executive Board of the Union Local.

Section 2 Involuntary Transfer (Stewards)

The College shall give the Union Local not less than seven (7) calendar days written notice of a promotion or transfer of a Steward in excess of ten (10) calendar days which will affect their status as a Steward of the Union Local.

Section 3 Designation of Representatives

The Union and each Union Local shall keep the College currently advised in writing of the names of the representative's set forth above.

12 DISCIPLINE

Section 1 Definition of Discipline

Discipline of an employee shall be imposed only for just cause. Discipline under this Article means only oral warning, written warning, fine, suspension, demotion or removal. Demotion or removal, based upon a layoff or other operational judgment of the College, shall not be construed to be discipline.

The College and the Union agree to a constructive progressive discipline policy, the goal of which is to provide fair notice that the subject conduct or level of job performance is unacceptable and will not be tolerated if continued.

If the supervisor believes that the discipline process is warranted and the steps outlined in Article 26, Career Development, (assuming applicable) have been unsuccessful, constructive progressive discipline shall follow.

Constructive progressive discipline usually involves a process, which includes an oral warning, a written warning, suspension, and discharge. However, the implementation of this process is usually influenced by the seriousness of the problem and the length of service of the affected employee.

Certain infractions mandate immediate discharge, for example: theft, fighting, threats of bodily harm, and destruction of property, gambling on site, insubordination, sleeping on the job, falsification of records; using, selling, purchasing, processing or being under the influence of alcohol or illegal drugs.

Section 2 Right to Union Representation

Where the College imposes, or intends to impose, discipline, it shall advise the employee of the right to have a Union representative, as witness or as an advisor, during any such meeting.

Section 3 Notice of Discipline

The employee will receive a written Notice of Discipline, which shall contain all charges and specifications and the proposed penalty.

Within a reasonable period of time of discipline being taken, the College will provide written notification to the President of the Union and the Union Business Agent of any discipline other than an oral warning.

13 SICK LEAVE

Section 1 Allowance

All regular full-time, academic year and part-time employees who work at least twenty (20) hours per week and a minimum of eight hundred (800) hours per year (see Article 7, Section 1 Employment), are eligible for paid sick leave upon completion of their probationary period. Part-time and academic year employees accrue sick time on a pro-rata basis.

Beginning 7/1/95, sick leave accrues during the fiscal year in accordance with the following schedule:

Year of Service as of Date of Hire	Accrual Rate
less than 3	$\frac{3}{4}$ day/month
more than 3	1 day/month

Section 2 Accumulation

Accrued sick leave shall be carried over from one (1) year to the next to a maximum of thirty (30) days. Any additional sick days accrued above the maximum thirty (30) days will automatically be donated to the sick bank.

Section 3 Use of Sick Leave

Sick Leave may be used in full days, half days, and up to three (3) days sick leave may be used in two (2) hour increments for medical appointments. Up to one (1) day (fifteen visits) may be used in one quarter (1/4) hour increments for medical appointments. The College may require a physician's statement in cases where it suspects abuse of the one quarter (1/4) hour sick leave benefit.

An employee may use up to six (6) of the employee's accrued sick leave days to care for the employee's child or for an adult family member for whom the employee is a primary caregiver.

Section 4 Medical Verification

In case of an illness with a duration of more than three (3) working days or where there is a suspicion of abuse, the College may require a physician's statement before sick leave is paid.

Section 5 *Notification of Sick Leave*

Under normal circumstances, an employee shall notify the employee's immediate supervisor or the Office of Human Resources of an absence due to illness no later than prior to the start of the workday. Employees who fail to give such notice may be subject to disciplinary action.

Section 6 *Continuation of Benefits*

Seniority shall continue during the first twelve (12) months that an employee is receiving sick leave. After twelve (12) months, seniority will cease but prior service shall be bridged upon return to work per Article 24, Section 7, Seniority. Insurance and pension benefits will continue for as long as the employee receives sick leave or Sick Bank payments. Paid time off benefits (holidays, vacation accruals, etc.) will cease after one (1) month.

Section 7 *Long-Term Leaves*

When an absence due to medical reasons has reached twelve (12) months, the College will notify the Union and evaluate whether it can continue to use a substitute or whether the employee will be replaced. Replaced employees reapplying for employment upon recovery shall be given priority for positions, provided that they are qualified for the given position for which they apply.

Section 8 *Sick Leave Bank*

All bargaining unit members who have completed their probationary period shall participate in the bank.

Each employee will make an irrevocable contribution of one (1) sick day per year. All new bargaining unit members who have completed their probationary period shall participate in the bank under the same conditions as outlined above. Employees who have reached age fifty-five (55) and have completed at least ten (10) or more continuous years of service shall contribute any earned and unused sick leave days, not to exceed fifteen (15) days, to the sick bank at the time that they retire from the College.

Sick Bank Leave may be used for long-term disabilities incurred as a result of a Workers' Compensation injury or illness.

Sick bank days will only be paid out through week 27 to those individuals who qualify for New York State Disability.

For illnesses which extend past week 27, Sick Bank days will be paid to individuals who either:

- a) receive Social Security Disability, or
- b) have a physician's statement verifying their continuous illness and inability to work.

Employees who have an illness that extends past week 27 must demonstrate that they have made application to receive Social Security Disability payments.

When an employee is diagnosed as having a chronic long-term disability requiring the following regularly scheduled treatments, chemotherapy, intravenous therapy, treatment for AIDS, treatment for Lyme disease, dialysis, radiation, laser, the College will cooperate with the employee in trying to arrange a schedule which allows the employee to continue as an active employee. Visits made during regularly scheduled work hours to receive treatments for chemotherapy, intravenous therapy, treatment for AIDS, treatment for Lyme disease, dialysis, radiation, laser, will be charged to the Sick Bank, not to the employee's accrued sick time.

The College shall match the days contributed to the Sick Bank by the bargaining unit members on a one for one basis, until total contributions to the bank equals eighteen hundred (1800) days.

Should the Sick Bank fall below twenty-five (25) days, each member of the Sick Bank will be assessed an additional one-half (½) day contribution and the total amount thus contributed will be matched by the College.

Payments from the bank and the employee's sick leave will be made as follows:

WEEKS OF ILLNESS:	METHOD OF PAYMENT:
Week 1	Employee will use their accrued sick leave.
Weeks 2 through 14	Employees will receive New York State Disability Insurance payments together with payment from the sick leave bank, the total of which shall not exceed 100% of the employee's regular weekly earnings.
Weeks 15 through 27	Employee will receive NYS Disability payments together with payments from the Bank, the total of which shall not exceed 90% of the employee's regular weekly earnings.
Weeks 28 through 52	Employee will receive Social Security Disability payments together with payments from the bank, the total of which shall not exceed 80% of the employee's regular weekly

earnings. (In the case where the payment of Social Security benefits is delayed or denied, the sick leave bank will pay the entire 80% of regular earnings. When the Social Security payments begin, the employee is obliged to reimburse the College the appropriate amount.)

In instances where an employee is out on disability and the disability leave was not anticipated (i.e., for an unscheduled surgery), the College will advance up to four (4) weeks of net pay in order to offset the time delay which usually occurs between the application for and receipt of NYS disability payments. This advance should be reimbursed by the employee upon receipt of their first NYS disability check but in any event, within sixty (60) days of the receipt of the advance payment(s).

Through week 27, an employee will receive payments from the bank provided that the employee is receiving New York State Disability payments. Beginning with week 28 and periodically thereafter through week 52, the employee may be required to have the employee's doctor provide information to the Sick Bank Committee. Any questionable cases shall be referred to the College physician for review. When there is a difference of opinion between the College and the Union over the medical condition of an employee, which will affect the status in regard to Sick Bank Benefits, the College and the Union will have the employee examined by a physician chosen by the County Medical Association. This physician's decision shall be binding upon the parties.

14 VACATION

Section 1 Allowance

All regular full-time and part-time employees who regularly work twenty (20) or more hours each week and a minimum of eight hundred (800) hours per year (see Article 7, Section 1 Employment) are eligible to earn paid vacation.

For a new employee, vacation is earned retroactively to the initial day of employment upon achievement of regular status but vacation may not be taken by an eligible employee until the completion of six (6) months of continuous service.

An employee who has completed at least six (6) months of employment as of June 30th in a given year will receive access to the employee's appropriate vacation time on July

1st. For example, a full-time regular employee with between zero (0) and five (5) years of service as of June 30th will be allocated twelve (12) vacation days on July 1st.

Vacation earned in one fiscal year, July 1 – June 30 must be taken before the end of the next fiscal year. The College does not provide vacation pay in lieu of vacation time. The vacation period agreed upon, if not otherwise designated, begins the first day after the last active day of employment for the academic year.

Length of Service As of Date of Hire:	Vacation Accrual Rate
0-5 years	1 day per full month
5-12 years	1½ days per full month
12-25 years	2 days per full month
25 or more years	2½ days per full month

When an employee has accrued the maximum number of hours and has been denied his/her request for vacation leave, he/she shall be eligible to cash-in up to five (5) unused vacation leave days at their per diem value at the end of the fiscal year.

Employees hired on or before the fifteenth (15th) of the month shall have their vacation accrual based on the first (1st) of the month in which they were hired.

Employees hired on or after the sixteenth (16th) of the month shall have their vacation accrual based on the first (1st) of the next month in which they were hired.

Eligible academic year employees are entitled to earn vacation for all weeks regularly scheduled to work, vacation accrued, and all summer weeks worked during the year.

(Number of weeks worked, vacation accrued, summer weeks divided by 4.3 X appropriate multiplier).

Any regular employee who was entitled to receive a greater amount of vacation per fiscal year than currently provided shall have an individual vacation accrual rate to maintain the amount of the employee's vacation in effect at the time this policy is adopted.

Please see Letter of Agreement regarding Vacation – Article 14.

Section 2 Scheduling

Vacation shall be taken at a time mutually convenient to the employee and the College. The College will follow employee preference for time of the vacation period if work requirements and the needs of the department can be met. In cases of conflicting vacation requests, seniority will determine preference.

Vacation may be used in one quarter (1/4) hour increments.

At the request of the employee, vacation pay may be included on the payroll prior to the vacation period.

Section 3 Termination of Employment

An employee who terminates employment with the College and who has used but not accrued vacation leave will have this advanced time deducted from the final paycheck.

An employee who resigns, retires, or is laid off will receive payment for unused vacation leave to which the employee is properly entitled at the employee's then current rate of pay. In the event an employee leaves employment due to disciplinary action, the employee will not receive a settlement for unused vacation leave.

Section 4 Illness & Holidays

Employees, who become ill during their vacation, shall notify the College of the illness upon their return to work. If proper documentation is provided to the College, and the employee has sufficient unused accrued sick days, the employee is eligible to reschedule the vacation days lost due to illness.

Holidays occurring on a regular workday during an employee's vacation period, entitles an employee to an additional day of paid vacation.

Section 5 Retirement Bonus

An employee with six (6) or more years of continuous employment is eligible for a retirement bonus upon retirement. This benefit in addition to the regular earned vacation is computed on the basis of fifty percent (50%) of the vacation earned during the College year ending June 30 prior to retirement to a maximum of ten working days.

However, exceptions to the notification requirements shall be made if there is an emergency situation.

Seniority will accrue only for the first thirty (30) calendar days of a leave. Fringe benefits do not accrue during the leave.

The College is committed to the principle of hiring from within the bargaining unit to promote an atmosphere of development and growth within the Vassar community.

The College will be the sole judge with respect to the degree to which applicants meet job qualifications. Final selection of candidates to fill positions will be at the discretion of the College.

An internal employee who is an applicant for a position, but who is not offered that position, shall be advised in writing as to the specific reasons for that rejection (provided the applicant makes such a request for the explanation in writing).

Section 4 Trial Period (promotions & transfers)

Regular employees selected to fill a posted vacancy will be considered to be in training for the first thirty (30) calendar days following the date the employee begins work in the new position. If before the end of the first thirty (30) days, the employee chooses not to remain in the new position, the employee shall be returned to the employee's previous position. If at the end of thirty (30) calendar days, the employee, in the opinion of the College has not successfully completed the training period, the employee shall be returned to the employee's previous position.

In the event a unit member retreats back to an original position, the Office of Human Resources will repost the job position and will attempt to contact unit members who had applied originally.

Section 5 Subsequent Applications

Employees must have served six (6) months in their current position before they may be considered for a transfer to a posted position.

Section 6 Non-Bargaining Unit Positions

Bargaining unit members are eligible and encouraged to apply for any vacant position at the College for which they feel they are qualified. However, should a bargaining unit employee apply for and not get a position outside the bargaining unit, such a situation is not grievable under any provision of this Contract.

26 CAREER DEVELOPMENT

It is the policy of Vassar College to select well-qualified individuals to perform the many tasks necessary to achieve the mission of the College. The College and the Union agree that an essential element in this task is the good faith effort of the College and the Union to advance equal employment opportunity to all employees.

To ensure that all employees will be provided with an equal opportunity to progress in their careers consistent with their qualifications, skills and interests, the Office of Human Resources will provide information and counseling regarding career advancement to employees who request it. The Office of Human Resources will discuss with any employee a pathway for career advancement, including identification of skills and qualifications necessary for advancement along a particular pathway. A record of an employee's interest in and plans for career advancement will be added to the employee's personnel file.

The College is committed to maintaining a spirit of cooperation between supervisors and employees to discuss changes or improvements to the performance of daily tasks. Performance related feedback is a fundamental ingredient in the creation of an effective working relationship between a supervisor and an employee. The employee should feel free to suggest changes or improvements to his designated assignments to improve efficiency, or to ask for clarification or direction on how to fulfill the needs of the department. The supervisor shall, in a timely fashion, discuss with the employee areas where requirements of the department have changed or areas where improvement may be needed in tasks performed by the employee. The college shall provide onsite coaching and/or counseling by the supervisor or the designee, and on or off site training when appropriate. The supervisor will provide a plan of action in the counseling document. The supervisor will schedule a meeting with the employee within thirty (30) to sixty (60) days from the date of implementation of the performance update. All counseling or coaching documentation referring to the process shall be placed in the employee's personnel file and a copy shall be sent within a reasonable period of time to the Union President and the Union Business Agent. All such documentation shall be removed within a twelve (12) month period provided all of the terms of the plan of action have been corrected.

The Union has exclusive use of a bulletin board in Main and will have access to bulletin boards in every building in which a CWA represented employee works when space is available.

If management contends posted notices are not within the spirit of this Article, the responsible Union Representative (Business Agent, Chief Steward or Executive Board Member) when available will remove such notice. However, if the Union Representative is not available, management reserves the right to remove such material.

Section 2 Campus Mail

31 COMPENSATION

Section 1 Across-the-Board Increase

- A. Effective July 1, 2016, the hourly rate of each employee shall be increased by one and one half percent (1.50%).

Effective July 1, 2017, the hourly rate of each employee shall be increased by three percent (3.00%).

Effective July 1, 2018, the hourly rate of each employee shall be increased by two and one half percent (2.50%).

Effective July 1, 2019, the hourly rate of each employee shall be increased by two and one half percent (2.50%).

B. The College agrees to pay each bargaining unit member a one-time non-recurring cash bonus of two hundred dollars (\$200.00) upon ratification of this agreement.

C. Effective in Year 1 of the contract—The College shall allocate \$92,000 for the purpose of making market adjustments to the salaries of unit members. The money shall be distributed as follows:

Group 1: Unit members making between \$10 an hour and \$20.99 an hour will receive 60% of the \$92,000 (or approximately \$55,200) divided equally to them as an hourly adjustment to their base rate.

Group 2: Unit members making between \$21 an hour and \$30.99 an hour will receive 35% of the \$92,000 (or approximately \$32,200) divided equally to them as an hourly adjustment to their base rate.

Group 3: Unit members making between \$31 an hour and above will receive 5% of the \$92,000 (or approximately \$4,600) divided equally to them as an hourly adjustment to their base rate.

The market adjustment shall be made no later than October 1, 2016, but shall be retroactive to July 1, 2016. The market adjustment shall be applied after the 2016-2017 across the board wage increase.

Future yearly increases would first meet market minimums for present employees and then yearly percentage increase would be applied.

Section 2 Skills-Based Adjustments

Employees who are in their probationary period will be assumed to be in the first tier of skills for the employee's job level (e.g. C2, L3, K4, J3).

LEVEL		TIERS		
C		C2	C1	
L	L3	L2	L1	
K	K4	K3	K2	K1
J	J3	J2	J1	

The hourly rate of each employee who has effectively demonstrated the ability to perform all of the skills in a given skill set for the employee's job title shall be increased by the percentage set forth in Section 2, above.

For example, an employee in a job title in Level K who effectively demonstrates the ability to perform all of the skills in K3 will be moved from K4 to K3 and the employee's hourly rate will be increased by four percent (4%). Similarly, an employee in a job title in Level K who effectively demonstrates the ability to perform all of the skills in K2 will be moved from K4 to K2 and the employee's hourly rate will be increased by eight percent (8%).

An employee may only progress a maximum of one (1) tier during the course of a fiscal year (i.e., there can only be one skills based adjustment during the course of a fiscal year).

Section 3 Longevity Increases

An additional sum of money will be available to establish longevity payments. The establishment of these longevity payments will utilize the formula already agreed upon by the College and the Union and will be subject to review by the College before payment distribution is affected. Longevity increases shall be paid on anniversary date.

For those employees hired on or after July 1, 2012 the following longevity increases shall apply:

- 5 years = 0.5%
- 10 years = 1.0%
- 15 years = 1.5%
- 20 years = 2.0%

Section 4 Definitions (Promotion, Transfer, Downgrade)

In transferring bargaining unit employees from one position to another, the following definitions will be understood:

Promotion: A promotion is a move from a job title in one level to a job title in a higher level. For example, an employee may be promoted from a job title in Level K to a job title in Level L.

Lateral Transfer: A lateral transfer is a move from one job title to another job title in the same level. For example, an employee may be transferred from Administrative Assistant (Level K) to Accounting Assistant (Level K). However, a move from Administrative Assistant in the Drama Department to Administrative Assistant in the English Department is not a lateral transfer but merely a reassignment.

Downgrade: A downgrade is a move from a job title in one level to a job title in a lower level. For example, an employee is moved from a job title in Level K to a job title in Level J.

Section 5 Promotion (Rate of Pay)

An employee who receives a promotion as defined in this Article shall, at the time of promotion, receive a ten percent (10%) wage increase and will be assumed to be at the lowest tier for that level. The employee will not receive a wage increase for the first tier move.

For example, an employee who is promoted from a job title in Level K to a job title in Level L will receive a ten percent (10%) wage increase at the effective date of the promotion and will be assumed to be at Tier 3. However, whenever the employee effectively demonstrates the ability to perform all the skills for Tier 2, the employee will not receive the four percent (4%) wage increase. After the employee effectively demonstrates the ability to perform all the skills for Tier 1, the employee will be eligible to receive the four percent (4%) wage increase.

Section 6 Lateral Transfer (Rate of Pay)

An employee who moves to a job title at the same level as the employee's current job title will continue to receive the employee's same wage (excluding subsequent across-the-board or longevity increases) for the first twelve (12) months, excluding any leaves of absence, and will be assumed to be at the same tier. After the twelve (12) months, if the employee does not effectively demonstrate all the skills for the tier, the employee will be placed in the appropriate tier and the employee's wage will be reduced by the appropriate percentage.

For example, an employee who is transferred from a job title in Level K to another job title in Level K will continue to receive the same wage for the first twelve (12) months (excluding across-the board or longevity increases) and will be assumed to be at the same tier, in this example, Tier 2. After the twelve (12) months should the employee not

effectively demonstrate the ability to perform all the skills for Tier 2 but effectively demonstrate the ability to perform all the skills for Tier 3, the employee's wage will be decreased by four percent (4%).

Section 7 *Downgrade (Rate of Pay)*

An employee who elects to move to a job title at a lower level than the employee's current job title will receive a ten percent (10%) reduction in pay for each downgrade level. For example, a unit member moving from level C to L would receive a ten percent (10%) downgrade, but a unit member moving from level C to K would receive a twenty percent (20%) downgrade. The dollar amount equivalent of the longevity increases will be applied to the minimum wage for that level. After completion of the thirty-day trial period as defined in Article 25, Section 4, Vacancies & Postings, and after the employee effectively demonstrates the ability to perform all the skills for a given tier, the employee will be eligible to receive the appropriate wage increase. The wage increase for the initial tier move will be retroactive to the effective date on which the employee moved to the lower level.

For example, an employee who moves from a job title in Level K to a job title in Level J will receive the minimum rate for Level J, plus the dollar amount equivalent of the employee's longevity increases, and will be assumed to be at Tier 3. However, after the thirty-day trial period and after the employee effectively demonstrates the ability to perform all the skills for Tier 2, the employee will be eligible to receive the four percent (4%) wage increase. After the employee effectively demonstrates the ability to perform all the skills for Tier 1, the employee will be eligible to receive another four percent (4%) wage increase.

Section 8 *New Hires (Rate of Pay)*

A new employee will receive the minimum wage rate for the level and will be assumed to be at the lowest tier for that level. At the completion of the probationary period as defined in Article 8, Section 1, Probationary Employees shall be evaluated, and after the employee effectively demonstrates the ability to perform all the skills for a given tier, the employee will be eligible to receive the appropriate wage increase. The wage increase for the initial tier move will be retroactive to the employee's date of hire.

For example, a new employee hired into a job title in Level J will receive the minimum rate for Level J and will be assumed to be at Tier 3. However, after the probationary period and after the employee effectively demonstrates the ability to perform all the skills for Tier 2, the employee will be eligible to receive the four percent (4%) wage increase. After the employee effectively demonstrates the ability to perform all the skills for Tier 1, the employee will be eligible to receive another four percent (4%) wage increase.

(See, Appendix A) For market minimums.

Section 9 *Review Process*

The Office of Human Resources will mediate any disputes concerning whether or not an employee has effectively demonstrated the ability to perform all the skills for a given tier. The employee shall be represented by the Union. In the event mediation does not resolve the dispute, the employee may appeal directly to the Director of Human Resources. Any decisions by the Director of Human Resources shall be final and binding and shall not be subject to the grievance and arbitration procedure.

Section 10 Skill Sets

The College will establish the skill sets and may amend them from time to time. Any changes will be discussed with the Union prior to implementation.

Section 11 Notification of Transfers

The Business Agent shall be notified in writing by the Office of Human Resources of all transfers of employees.

Section 12 Nurses: Market Adjustment

Effective July 1, 2007, the following one time market adjustment shall be made to the nurses salaries:

- A. Any nurse earning a base hourly rate of less than twenty dollars (\$20.00) per hour shall be increased to an hourly rate of twenty-two dollars (\$22.00) per hour.
- B. Any nurse earning a base hourly rate of more than twenty dollars (\$20.00) per hour but less than twenty-four dollars (\$24.00) per hour, shall be increased to an hourly rate of twenty-five dollars (\$25.00) per hour.
- C. Any nurse earning a base hourly rate of more than twenty-four dollars (\$24.00) per hour, but less than twenty-six dollars (\$26.00) per hour, shall be increased to an hourly rate of twenty-seven dollars and fifty cents (\$27.50) per hour.

This hourly rate adjustment for each nurse shall be inclusive of the agreed upon across the board salary percentage increase for the 2007-2008 fiscal year.

32 LUNCHES

Section 1 Paid Lunch

All employees regularly scheduled to work twenty (20) or more hours per week and a minimum of eight hundred (800) hours per year (see Article 7, Section 1, Employment) are eligible for the following options:

One (1) lunch meal provided by the College at ACDC (the Central Dining Facility). When ACDC is closed for scheduled repairs or cleaning, the College will make the lunch meal available to eligible employees at the Retreat facility. Should both the ACDC and Retreat facilities be out of service due to an unplanned event (e.g. power failure) the Union releases the College from its obligation to provide lunch until the necessary repairs can be made at which time the College will again provide a lunch meal to eligible employees. Should the College close both facilities in a planned shutdown, it remains the College's obligation to provide a lunch meal to eligible employees.

Section 2 Lunch Option

During certain periods of the year (summer break, winter break and March break) individual bargaining unit members may elect to continue to receive lunch or choose to leave one-half (½) hour early with pay during those periods in exchange for waiving the lunch obligation. During the Christmas week of winter break, the lunch obligation is waived but employees will be on a half-hour early release schedule. The Office of Human Resources will coordinate the administration of these options; employee selection will cover the entire period of each break.

Eligible employees on the payroll as of 6/30/04 can choose between four (4) existing plans:

Section 2 Alternate Plans

The College may change the insurance carrier and/or offer alternative plans in place of the current plans, provided the alternative plan's benefit structure is substantially equivalent to the current plan. In the event the College decides to explore an alternative plan in place of the current plan, the College and the Union will meet with representatives of the carriers to review the proposals.

Section 3 Premiums

Employees are eligible for a College health plan insurance policy, with the College and the employee assuming the cost of a single health insurance policy as follows:

92.5% College, 7.5% Employee

The College shall also pay two-thirds of the difference in cost of dependent coverage for any member who elects dependent health insurance coverage. The employee shall pay the additional one-third of the cost of dependent coverage. The College shall also pay

two thirds (2/3) of the difference in cost between single and dependent coverage. The employee's portion of the cost will be made through biweekly deductions.

Retired employees who are Medicare eligible shall be eligible for the College's post-retirement medical benefit.

Section 7 Life Insurance

The College shall provide members of the bargaining unit who are regularly scheduled to work twenty (20) hours or more per week at least eight hundred (800) hours per year with life insurance. The life insurance benefit will increase to an amount equal to a unit member's salary rounded to the nearest thousand dollars, with a minimum life insurance benefit of twenty five thousand dollars (\$25,000). The College pays the full cost of life insurance.

Employees shall become eligible for life insurance benefits on the first day of the calendar month that coincided with or next follows the completion of one (1) full month of employment.

An employee may purchase additional life insurance coverage at the employee's expense subject to the provisions of the plan. The College shall no longer be obligated to fund the premium for life insurance upon separation from employment provided; however, the employee will have the option to assume payment of premiums for the policy in

accordance with the provisions of the plan. The Employee is responsible for contacting Employee Benefits to ascertain both the timelines and the process for assuming payments under the policy.

The College will not expand the amount of such work if the direct result of the expansion is a reduction in the number of full-time or part-time bargaining unit positions or a reduction in the number of hours assigned to part-time bargaining unit employees. Section 3 Employee Responsibilities

It is also agreed that employees in the unit are responsible for cooperating with all aspects of the safety and health program, including compliance with all rules and regulations for continuously practicing safety while performing their duties. Each employee in the unit has the additional responsibility of reporting unsafe conditions or equipment to the appropriate college official. Staff/Professional members shall report as soon as practicable to their supervisors any job related accident, injury or illness; this requirement shall not, however, be construed to limit in any way a Staff/Professional member's rights under the Workers Compensation law, provided the Staff/Professional member does give the College any notice required by such law.

Section 6 *Special Medical Conditions*

The College and the Union recognize that there are certain medical conditions during which particular attention should be given to potential hazards in the work place. If such hazard exists or arises in the environment, an eligible employee may request reasonable accommodations in accordance with the Americans with Disabilities Act.

Section 7 *Asbestos and Mold*

Provided that the College is aware that work is being conducted in an area that contains asbestos that exceeds the permissible exposure limits for employees per the Occupational Safety and Health Administration (OSHA), the College shall notify the Union the greater of five (5) days prior to any work being conducted or the minimum number of days required by New York State Law.

The College shall notify the Union the greater of five (5) days prior to any work being conducted or the minimum of days required by New York State Law for any mold remediation being conducted.

If the notice requirement above for either asbestos or mold is not possible; the College shall have the discretion to relocate the impacted employees to another location on campus or, if that is not possible, provide the impacted employees with paid leave without it being charged to the employee's leave accruals.

45 JOINT UNION/MANAGEMENT COMMITTEE

A Union/Management Committee shall be created which will meet at least quarterly to consider methods of improving working and safety conditions on the campus, productivity and cost saving procedures. This committee may be used to give preliminary consideration to joint Union/Management concerns for operating policies and programs.

This committee shall consist of two (2) Union and two (2) management people.

Former bargaining unit employees, who have retired after age fifty-five (55) with at least ten (10) years of service at Vassar College shall be eligible for use of College operated facilities.

Section 3 Computer Loans

Computers may be purchased at the Vassar College Computer Store with the same loan option made available by the College for faculty and administration.

47 TECHNOLOGICAL CHANGES

Section 1 Notification of Changes

The College agrees to give the Union reasonable advance notice of the scheduled introduction of automation that may reasonably be expected to result in:

- a) reduction or downgrade of bargaining unit employees,
- b) substantial changes in an employee's job,
- c) substantial changes in the nature of work in a particular job classification.

Notification will include a description of the nature of the changes, including the location of the automation and anticipated effects on personnel; listing of departments involved and job titles to be affected; and the anticipated date of the change.

Section 2 Discussion of Changes

The College will meet with the Union upon request at a mutually agreeable time to discuss ways of softening the impact of automation upon the affected employees. The discussion will include consideration of whether and to what extent training might be appropriate.

Section 3 Health Concerns

The College will maintain current information on issues of health related to the use of office automation devices, and will make such information available to the Union upon

request. In respect to office automation and health concerns related thereto, the College will comply with appropriate and applicable federal, state and local statutes and regulations, as it does with respect to any other health and safety matter.

Section 1 Requests & Approval

All requests to attend work related conferences or workshops shall be made through and approved by the College.

Section 2 Expenses

When an employee's request to attend a conference or workshop is approved, fees and other expenditures, including regular wages and normal travel costs, shall be borne by the College.

Section 3 Use of Personal Leave and/or Vacation Leave

If the College determines that it will not fund the request, the employee may use vacation and/or personal days provided the employee gives sufficient notice and has the days available.

Section 1 Required to Work

In the event an employee is required to work when administrative offices have been closed due to inclement weather or an emergency, or prior to the delayed opening time due to inclement weather or an emergency, or after the early closing time due to inclement weather or an emergency, the employee will be paid at one and one-half times the employee's regular rate of pay for hours actually worked. To be eligible for this premium pay, the employee may not self-select to work but must be required to work by the appropriate supervisor.

For example, an employee with a seven and one-half (7½) hour workday who is required to report to work at the regular starting time when administrative offices are on a two-hour delay

will be paid two (2) hours at one and one-half times the regular rate of pay and the remaining five and one half (5½) hours will be paid at the regular rate of pay.

In the sole discretion of the Head of Human Resources or designee, premium pay at the rate of time and a half may be paid to an employee who is required to work during inclement weather outside of the operational hours of administrative offices. Such decision shall not be subject to the grievance procedure.

The parties agree to meet to discuss issues relative to inclement weather.

Section 2 Not Required to Work

In the event an employee is not required to work when administrative offices have been closed due to inclement weather or an emergency, or prior to the delayed opening time due to inclement weather or an emergency, or after the early closing time due to inclement weather or an emergency, the employee will be paid at the employee's regular rate of pay for hours the employee was scheduled to work during that time.

Section 3 Scheduled or Unscheduled Time Off

In the event an employee has arranged for scheduled or unscheduled time off and does not work when administrative offices have been closed due to inclement weather or an emergency, or prior to the delayed opening time due to inclement weather or an emergency, the employee will be charged for the appropriate leave (e.g. vacation, personal, sick, jury duty, bereavement, etc.) for hours the employee was scheduled to work during that day.

Should the College officially close subsequent to an employee's early departure, only the time between the employee's departure and the official close time will be charged against the employee's earned leave time.

Section 4 List of Excused & Not-excused

The College will maintain a list of those employees in the bargaining unit who might be called to work when administrative offices have been closed due to inclement weather or an emergency, or prior to the delayed opening time due to inclement weather or an emergency, or after the early closing time due to inclement weather or an emergency.

51 SEPARABILITY OF PROVISIONS

In the event any Article or portion of this contract is declared invalid or illegal by any court of competent jurisdiction or by any rule and regulation or law of a Federal, State or Municipal agency, only the Article or portion of this contract found invalid or illegal shall

be invalidated and the rest of the provisions of this contract shall remain in full force and effect.

52 NEW ARTICLE EARLY RETIREMENT INCENTIVE ACCOUNT/ VISION INSURANCE ACCOUNT

The College agrees to setting up a deduction code for a Union fund: a) to help offset the cost of health insurance premiums for individuals who retire prior to Medicare eligibility; and/or b) to provide vision coverage.

53 ZIPPER CLAUSE

The parties agree that all items subject to negotiations have been negotiated during the negotiations leading to this Agreement and agree that negotiations will not be reopened, unless mutually agreeable, on any item whether contained in this Agreement or not during the term of this Agreement. It shall also be the prerogative of the College to initiate and announce new policies not affecting or changing matters contained in this Agreement.

54 TERMS OF AGREEMENT
